DIRECTIONS

Cutting

1. Print and cut out each template.
Note: If you plan on making more than one sweater, use card stock for the templates.
2. From Luxe Cuddle®, cut:
 - 1 Front, on the fold.
 - 2 Backs: cut 1, cut 1 reverse.
 - 2 Sleeves.
3. From Scarlet Cuddle®, cut:
 - 1 Heart Appliqué, *optional*.

Assembly

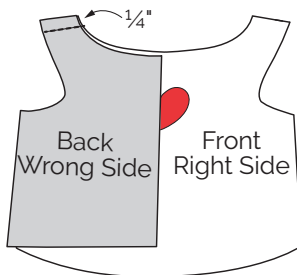

Add the Appliqué

1. Center Heart Appliqué on the sweater Front.
2. Use a zigzag stitch to attach the appliqué.

Make the top

1. Sew the Front to the Back pieces at the shoulder seam. Fingerpress the seams open.

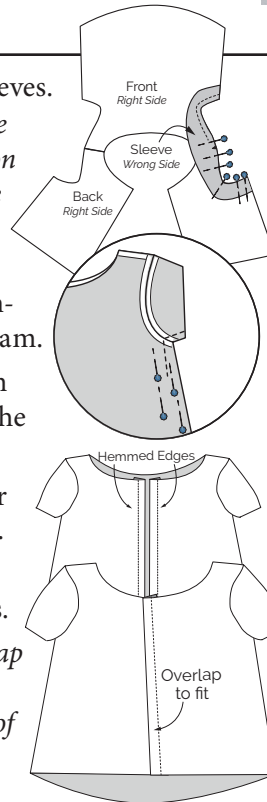

2. Attach the Sleeves.

Note: Match the triangle mark on the sleeve to the seam line.

3. Double pin and sew the underarm/side seam.
4. Make a ½" hem along each of the back edges.
5. Try the sweater on your puppy.
6. Overlap the hemmed edges.

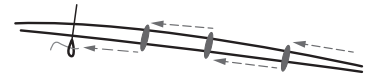

Note: The overlap will depend on the plumpness of your puppy.

Make a closure

There are several options for closing your sweater. Choose your favorite!

- Hook & Loop: Stitch a 1" square of hook & loop tape to the upper edges of each hemmed edge.
- Snaps: Securely sew a ¾–½" snap at the upper edges.
- Sew: If your puppy loves the sweater so much, make it permanent and hand stitch it closed with a ladder stitch.

Note: Ladder stitch: Use polyester thread and a hand sewing needle to catch one side of the opening, then the other. Tighten every few stitches.

Is Your Puppy a Fashionista?

Instead of the heart appliqué, sew some lace or embroidered ribbons down the front of the sweater.

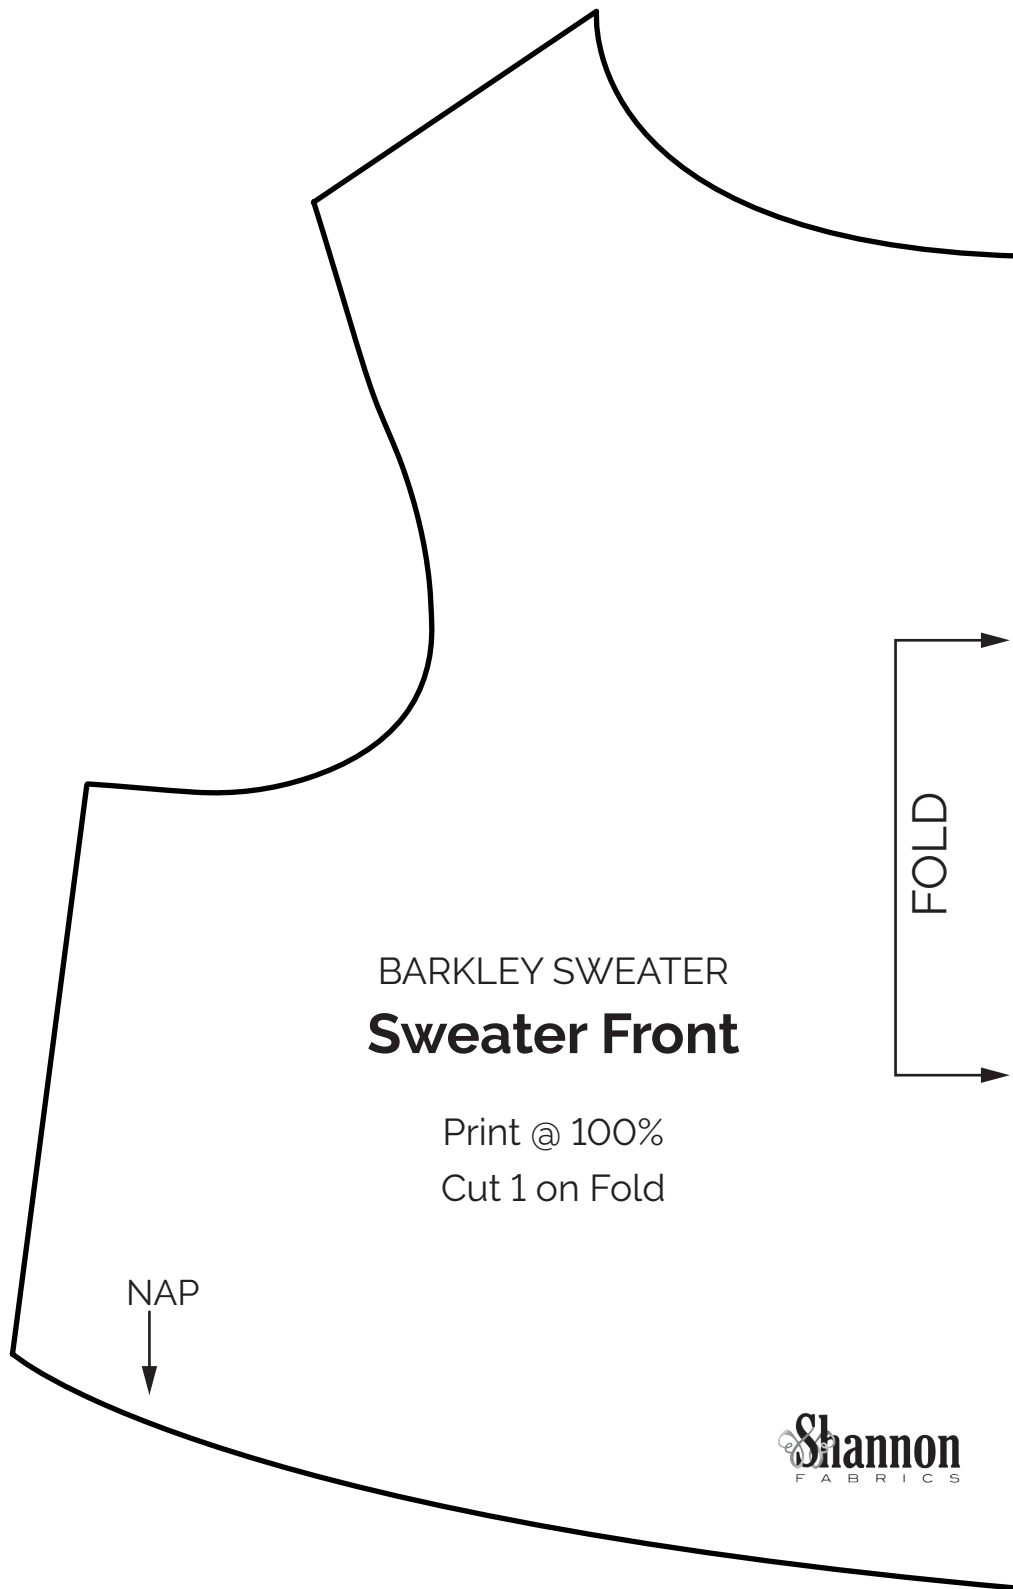

Or, hand or machine embroider the puppy's name or your child's initials.

For the Fourth of July, find some red Cuddle® and use glittery embroider thread to make some fireworks!

Is Halloween coming up? Make a green sweater and appliqué a small pumpkin on the front.

With a little bit of imagination, your puppy can have a sweater appropriate for any party, holiday gathering, or even a camping trip.
