- Adhesive hook-&-loop dots

## Sewing Basics for Cuddle®

- Use ¼" seam allowance.
- Increase stitch length to 3–4mm.
- Sew with right sides together.

## DIRECTIONS

### Cutting

1. Print and cut out each template.  
*Note: If you plan on making more than one sweater, use card stock for the templates.*
2. From Luxe Cuddle®, cut:
  - 1 Front, on the fold.
  - 2 Backs: cut 1, cut 1 reverse.
  - 2 Sleeves.
3. From Scarlet Cuddle®, cut:
  - 1 Heart Appliqué, *optional*.

### Assembly

#### Add the Appliqué

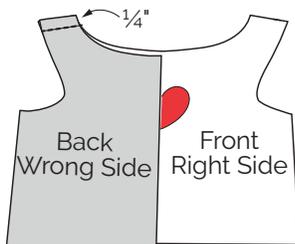

1. Center Heart Appliqué on the sweater Front.

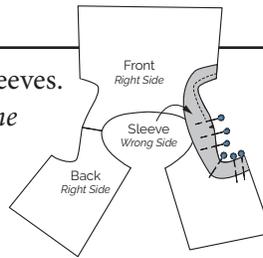

2. Use a zigzag stitch to attach the appliqué.

#### Make the top

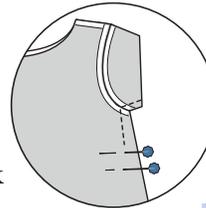

1. Sew the Front to the Back pieces at the shoulder seam.

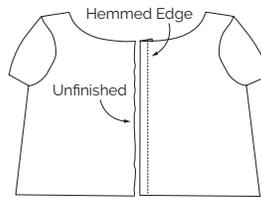

2. Attach the Sleeves.  
*Note: Match the triangle mark on the sleeve to the seam line. Open the shoulder seam allowances.*

3. Double pin and sew the underarm/side seam.
4. Make a ¼" hem along one of the back edges.

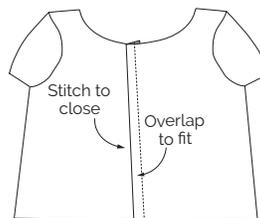

5. Try the sweater on your elephant.

6. Overlap the hemmed edge over the other edge.

*Note: The overlap will depend on the plumpness of your elephant.*

7. Hand stitch the edge with a ladder stitch.

*Note: Ladder stitch: Use polyester thread and a hand sewing needle to catch one side of the opening, then the other. Tighten every few stitches.*

### Is Your Elephant a Fashionista?

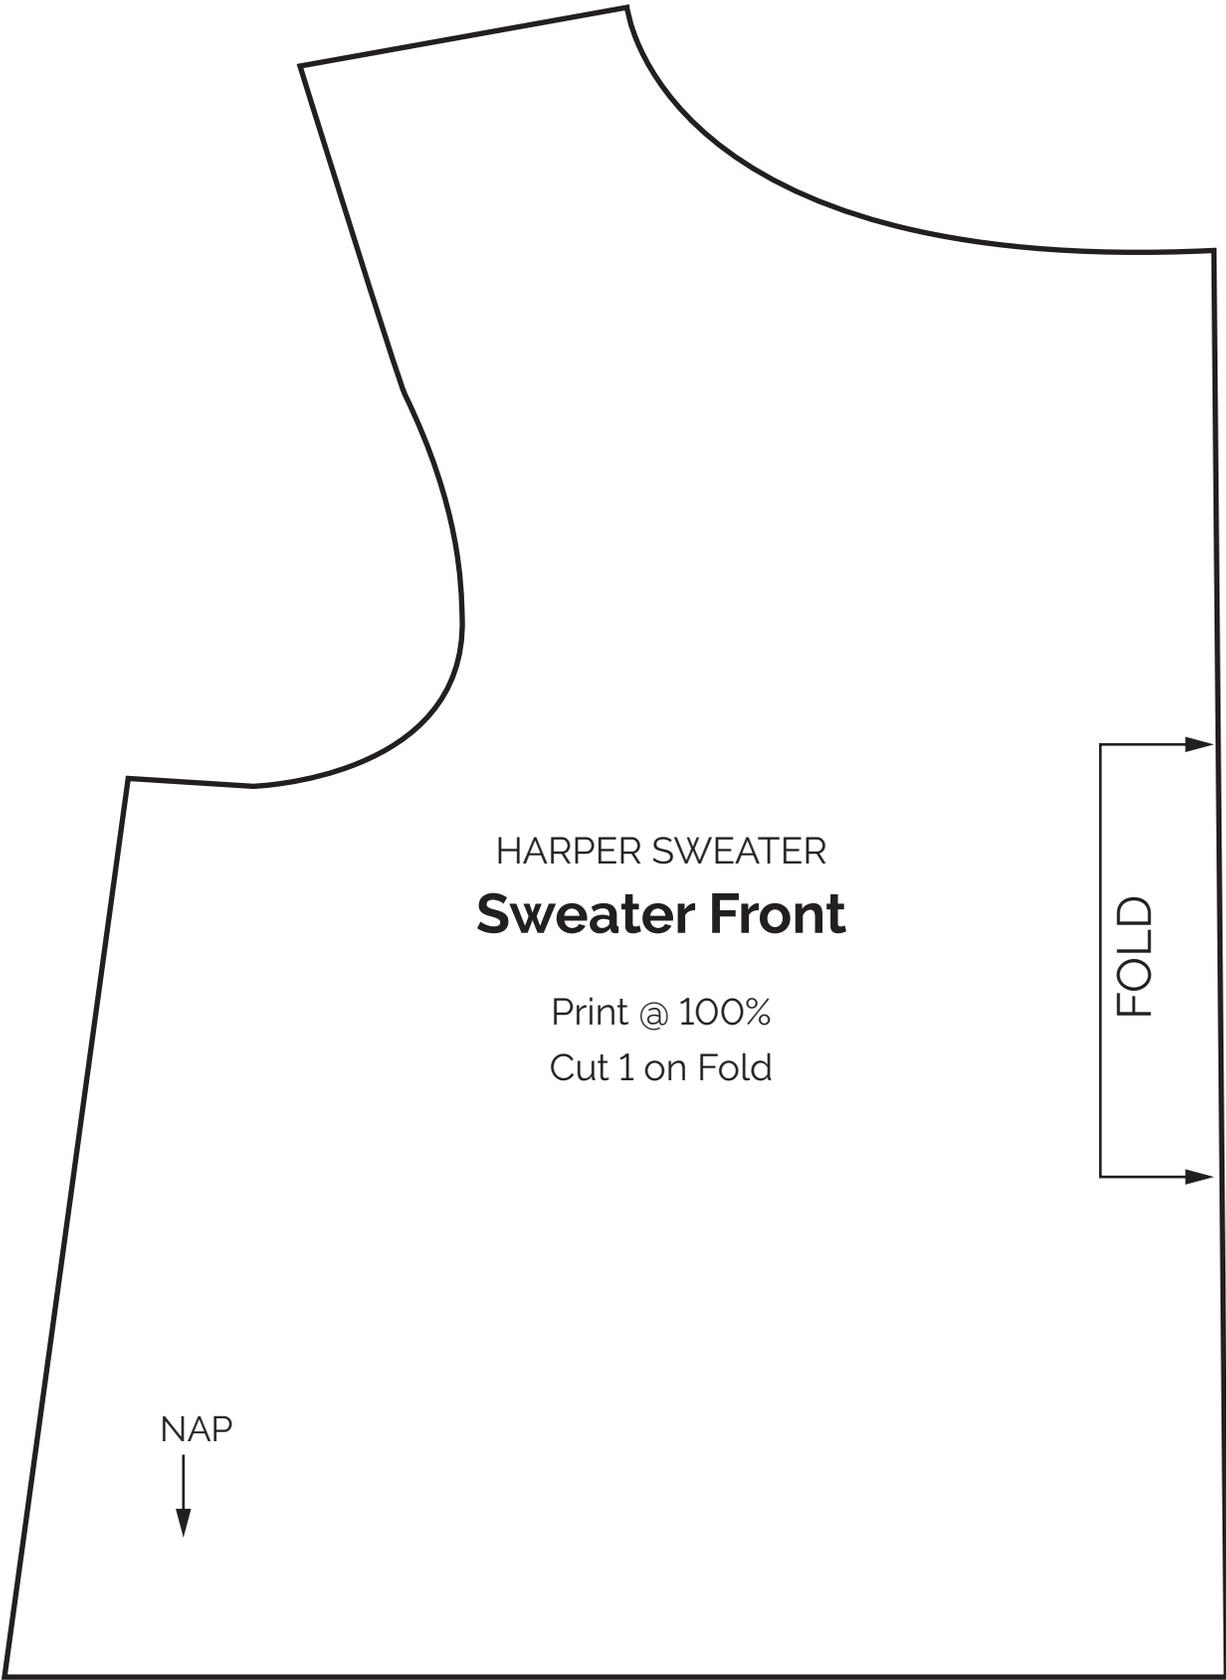

Does your elephant need a different sweater for every occasion?

#### Here's what to do:

Instead of sewing the sweater closed down the center back seam, add an adhesive hook-and-loop dot to the top of the back opening.

Now you can make your elephant a sweater that is appropriate for any party, holiday gathering, or even a camping trip.

Your elephant will be ready for everything!
