DIRECTIONS

Read *Cuddle® Basics* before beginning.

Right Side

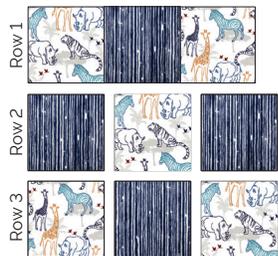

Wrong Side

Cutting

- From Tundra Cuddle® Multi, cut:
 - 5 (6" x 6") squares, *Patchwork*.
 - 1 (16" x 16") square, *Backing*.
- From Navy/Snow Cuddle®, cut:
 - 4 (6" x 6") squares, *Patchwork*.
- From ribbons, cut:
 - 20–40 (4"–5") pieces
- From crinkle material, cut:
 - 4 (3" x 16") strips (*optional*)

Assembly

- Arrange the patchwork squares as shown, with the nap going in the same direction.
- Double pin the squares of Row 1, right sides together. Sew using a ½" seam allowance.

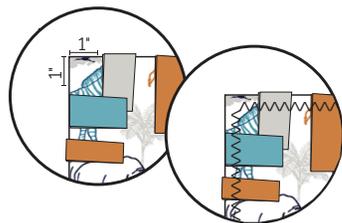

- In the same manner, double pin and sew Row 2 and Row 3.
- Join the Rows, creating the 16" Patchwork Square.

Add the ribbons

- Lay the Backing right side up on a flat surface.
- Fold ribbon pieces in half. Space ribbons evenly around the perimeter of the square. Use fabric clips to hold raw edges of the ribbon to the Backing.

Note: Leave 1" from each corner empty to ease turning the blanket right side out in a later step.

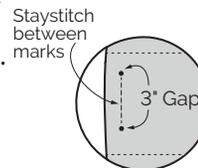

- Baste the ribbons to the Backing around the entire square, using a zigzag stitch ¼" in from the edge.

Optional: If using crinkle fabric, place a strip at each edge on the wrong side of the Patchwork Square. Baste in place.

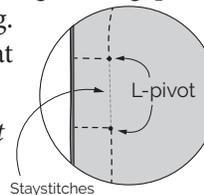

Finishing

- Mark a 3" turning gap on the Patchwork Square, centered in one of the small squares. Staystitch between the marks.

- With the nap going in the same direction and right sides together, align the Patchwork Square with the Backing. Mark and staystitch a corresponding 3" gap on the Backing.

- Sew the Patchwork Square to the Backing, leaving the 3" gap open for turning. Sew an L-pivot at the gap.

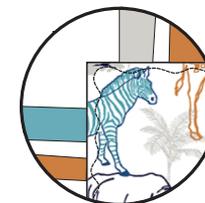

Note: The L-pivot secures seam ends as the Lovey is turned and helps the seam allowance turn in at the gap.

- Clip corners, if desired, and turn right side out.
- Gently push out corners with a point turner.
- Pin the turning gap closed. Hand sew with a ladder stitch. Use the staystitching as a guide to get an accurate ½" seam.

Ladder Stitch: Use polyester thread and a hand sewing needle to catch one side of the opening, then the other. Tighten every few stitches.

- Using a zigzag, serpentine, or long straight stitch, topstitch around the perimeter of the blanket a ¼" from the edge.

Cuddle® Basics

- Mark measurements on wrong side of Cuddle® with a felt tip marker or ballpoint pen.
- Cut with a rotary cutter, craft knife, or micro-serrated scissors.
- Shake cut pieces or put in a no-heat dryer with a damp washcloth for a few minutes to remove loose fibers.
- Sew with polyester thread in the top and the bobbin.
- Reduce presser foot pressure when sewing multiple layers.
- Increase stitch length to 3–4 mm.
- Double pin by using 2 rows of pins—the first row every 1½" along the seam line and a second row 1" to the left and parallel to the cut edge.
- Backstitch at the beginning and end of each seam.
- Seam allowances are ½" unless otherwise noted.
- Use an even-feed or walking foot, if possible. It makes a difference!
